

# Oh Man! When You Suffer from Evil in the Church

Alexandra Louisington

Have you suffered from any kind of verbal, spiritual, psychological or emotional abuse in the church? Have you felt as if you were not good enough for the church leaders who tried to be a dictator over you? Have church people and church leaders tried to control you and not let you be the person God has called you to be? Have they not let you fulfill your destiny? Have they persecuted you and condemned you? Have they caused strife, division, gossip and slander? Have you wondered why there is no Christian love left in the church? No one has the right to abuse you in the church in any way. Alexandra shares some of her own stories of abuse in the church and shares a special message of hope and healing that God has laid on her heart to help you and others. Her heart goes out to you if you have also suffered financial abuse, social abuse, sexual abuse, verbal abuse, mental abuse and physical abuse in the church. She has suffered all these kinds of abuse in the church which she will be sharing in future books as God enables her. A godly book of trusting in the love of God in the midst of unthinkable abuse in the church and trusting in Him for healing. I highly recommend this book to you, your family and friends. It makes a perfect gift for all occasions. Endorsement by Joyce A. Meyer
