

Oh Shit ! It` Jesus

Steve Hughes

Jesus was a peasant day-laborer. His teachings and his miraculous deeds were revolutionary. When religious leaders saw Jesus walking up, out of frustration they would say Oh shit! Its Jesus! Jesus was trouble. He taught that God was more concerned about social justice and the loving restoration of individuals, rather than blind allegiance to an oppressive and irrelevant religious system. When Jesus would walk along the shore of a fishing village, a life hardened fisherman would see Jesus and joyfully shout out Oh shit! Its Jesus! After a hard day of labor, fishermen, women from the fields, and children would sit in the evening sun and listen to Jesus teach about the love and mercy God desires for everyone. The reality and message of Jesus life are amazing. You may see organized religion and the church as a negative option for your spiritual life, but I encourage you to look at the actual life of Jesus as a positive choice for your spirituality.
