Okay, God-Book 2 : Filled Up!

Jaime Arispe

Okay, God- Book 2: Filled Up! Accompanying Okay, God, this sequel to that book is also filled with poetic verse unto the LORD, Jesus Christ, Who is, agreeably, the Son of God, the Creator of heaven, earth, and this amazing universe. With 194 poems plus a short story, also in prose, I believe that theres something for each reader herein, as there has been for me. In this book, I tried to convey a more developed relationship with God, having had amazing experiences of healing in my life because of my faith, which was nurtured as I sought out the Lord through scriptures, prayer, worship, and obedience. I invite you to receive the blessings God gives in healing of body, mind, and spirit, as He so graciously has done for me, and welcome The LORD into your life with a new zealousness through new inspiration in Christ. The just are all of the believers who walk true to the Word of The LORD and do what God tells them to do, bringing about them the Spirit of grace, as they reach for God and contemplate His face.
