

The Official Patient` Sourcebook on Periodic Paralyzes : A Revised and Updated Directory for the Internet Age

Icon Health Publications

This sourcebook has been created for patients who have decided to make education and Internet-based research an integral part of the treatment process. Although it gives information useful to doctors, caregivers and other health professionals, it also tells patients where and how to look for information covering virtually all topics related to periodic paralyzes, from the essentials to the most advanced areas of research. The title of this book includes the word official. This reflects the fact that the sourcebook draws from public, academic, government, and peer-reviewed research. Selected readings from various agencies are reproduced to give you some of the latest official information available to date on periodic paralyzes. Following an introductory chapter, the sourcebook is organized into three parts. PART I: THE ESSENTIALS Chapter 1. The Essentials on Periodic Paralyzes: Guidelines Chapter 2.
