

The Official Patient` Sourcebook on Prescription Opioids Dependence : A Revised and Updated Directory for the Internet Age

Icon Health Publications

This sourcebook has been created for patients who have decided to make education and Internet-based research an integral part of the treatment process. Although it gives information useful to doctors, caregivers and other health professionals, it also tells patients where and how to look for information covering virtually all topics related to prescription opioids dependence, from the essentials to the most advanced areas of research. The title of this book includes the word official. This reflects the fact that the sourcebook draws from public, academic, government, and peer-reviewed research. Selected readings from various agencies are reproduced to give you some of the latest official information available to date on prescription opioids dependence. Following an introductory chapter, the sourcebook is organized into three parts. PART I: THE ESSENTIALS Chapter 1. The Essentials on Prescription Opioids Dependence: Guidelines Chapter 2. Seeking Guidance PART II: ADDITIONAL RESOURCES AND ADVANCED MATERIAL Chapter 3. Studies on Prescription Opioids Dependence Chapter 4. Books on Prescription Opioids Dependence Chapter 5.
