

# The Ohio River Trilogy Including (Complete and Unabridged) Betty Zane, the Last Trail and the Spirit of the Border

Zane Grey

The Ohio River Trilogy is based upon historical events in the lives of Zane Greys ancestors. Betty Zane was Zane Greys first book and he published it using money from his wifes family. The novels are all set in the late 1700s during the movement of the frontier to the Ohio River Valley. Betty Zane was a resilient frontier woman who was beautiful, talented and skilled, and she more than held her own in a mans world. She was also in love and there is plenty of romance in this trilogy. However, the frontier was wild, harsh and challenging. The novels detail the skirmishes and bloodthirsty warfare that was waged between the Native Americans and the settlers. Zane Grey doesnt hide the cruelty and hatred felt so strongly on both sides. The trilogy offers a fascinating historical insight into the formation of the United States as well as a great read that will keep you intrigued and delighted.
