

# The Old Burnt House

Vicki L Robinson

What does a deadly house fire from 1912 have to do with Iris today? Renovating a cabin in the woods leads Iris to the remnants of a Victorian house partially destroyed by a fire over 100 years ago. Being naturally curious, she begins to investigate the cause of the fire and is dismayed to find the trail leading to death, murder, ghostly encounters and strangely enough, love. Iris is stunned to find out her connection to the house. She didn't buy the cabin on a whim like she thought she was led there by the spirits of a long dead family wanting the truth to be known. It is up to Iris to help them finally rest in peace.
