

The Oldest Code of Laws in the World

King of Babylon Hammurabi, C H W John

The discovery and decipherment of this Code is the greatest event in Biblical Archaeology for many a day. A translation of the Code, done by Mr. Johns of Queens College, Cambridge, the highest living authority on this department of study, has just been published by Messrs. T. & T. Clark in a cheap and attractive booklet. Winckler says it is the most important Babylonian record which has thus far been brought to light.--The Expository Times.
